EDUCATION

- | | |
|---|-------------|
| Cornell Univeristy
PhD in Economics (Field: Econometrics)
<u>Committee:</u> Jörg Stoye (chair), Francesca Molinari (co-chair) and José Luis Montiel Olea | 2021 - 2027 |
| Fundação Getulio Vargas (FGV), Rio de Janeiro
Master of Science in Mathematical Modeling
Escola de Matemática Aplicada - EMap | 2018 - 2020 |
| Fundação Getulio Vargas (FGV), Rio de Janeiro
Bachelor Science in Economics | 2014 - 2017 |

JOB MARKET PAPER

1. Brenda Prallon, *How Robust are Robustness Checks* ([latest version](#))

PUBLICATIONS IN PEER-REVIEWED JOURNALS

1. Manuel Febrero-Bande, Wenceslao González-Manteiga, Brenda Prallon, and Yuri Saporito (2023), *Functional Classification of Bitcoin Addresses* Computational Statistics & Data Analysis, 107687 ([link](#))

WORKING PAPERS

1. José Luis Montiel Olea, Brenda Prallon, Chen Qiu, Jörg Stoye, and Yiwei Sun (2025), *Externally Valid Selection of Experimental Sites via the k-Median Problem*, **R&R at JPE:Micro**
Extended Abstract accepted for publication at Proceedings of the 26th ACM Conference on Economics and Computation ([link](#))

WORK IN PROGRESS

1. Brenda Prallon, *Detecting Robustness Hacking* (draft coming soon)

RESEARCH EXPERIENCE

- | | |
|---|-------------|
| Cornell University
<i>Research Assistant to Professors Jörg Stoye, José Luis Montiel Olea and Chen Qiu</i> | 2022 - 2025 |
| FGV-EESP
<i>Research Assistant in Functional Data Analysis</i> | 2019 - 2020 |
| Universidad de Santiago de Compostela
<i>Research Fellow hosted by Professors Wenceslao González and Manuel Febrero</i> | 2019 |
| FGV-EPGE
<i>Research Assistant to Professor Cecilia Machado</i> | 2018 - 2019 |

TEACHING EXPERIENCE

Cornell University <i>Teaching Assistant</i> ECON3140, <i>Introduction to Econometrics</i> , Prof. Jörg Stoye ECON3130, <i>Introduction to Probability and Statistics</i> , Prof. Douglas McKee	2023 - 2025
---	-------------

RELEVANT WORK EXPERIENCE

World Bank Group <i>Consultant</i>	2023
Climate Policy Initiative, Rio de Janeiro <i>Analyst</i>	2020 - 2021
Econometric Traces, Rio de Janeiro <i>Research Intern</i>	2016 - 2017

POLICY PUBLICATIONS

1. Bragança, A., Antonaccio, L., Prallon, B., Araújo, R., Barros, A. C., & Chiavari, J. (2021). *Governance, Area of Influence, and Environmental Risks of Transport Infrastructure Investments: Case Studies in the State of Pará*, Rio de Janeiro: Climate Policy Initiative ([link](#))

PRESENTATIONS

- 2026:** Econometrics Reading Group (Northwestern University, *scheduled*), Work-in-Progress Seminar (Cornell University)
- 2025:** World Congress of the Econometric Society (South Korea), Sociedade Brasileira de Econometria (INSPER)
- 2024:** Third-Year Conference (Cornell University)
- 2023:** Work-in-Progress Seminar (Cornell University)

AWARDS & HONORS

Humane Studies Fellowship , <i>Institute for Humane Studies</i>	2026
Sage Graduate Fellowship , <i>Cornell University</i>	2021-2026
Anindya Majumder '98 Memorial Prize for Excellence in Teaching , <i>Cornell University</i>	2023
President of the Economics Graduate Student Association , <i>Cornell University</i>	2023-2024
Silicon Valley Community Foundation , <i>Ripple/FGV EESP</i>	2019-2020
Full Tuition Scholarship for the MSc Mathematical Modeling , <i>Fundação Getulio Vargas (FGV)</i>	2018-2020
Full Tuition Scholarship for BSc Economics , <i>Fundação Getulio Vargas (FGV)</i>	2014-2017

REFEREEING ACTIVITY

Proceedings of the 26th ACM Conference on Economics and Computation
